For my undergraduate degree and my master's degree (including my visit to The Ohio State University), I received a stipend and student loan from the Norwegian State Educational Loan Fund. This scholarship is granted to every Norwegian student in good standing. Because every Norwegian student in good standing is fully funded, there is no reason to apply for private scholarships.

For my Ph.D. I am receiving funding from Ohio State University through the Graduate Assistantship (GA). In addition to the stipend, instructional and general tuition fees are waived.
